Subject: Agency Invitations for NGO/Agency mtg on Phase I SED

Hi All,

Doug Obegi and I are working on setting up a coordination meeting between the NGOs and the Fish Agencies on the SED for Phase I of the Delta WQCP. He is going to put together a doodle poll (or equivalent) for the last two weeks of January. Hopefully this gives us enough lead time to have a pretty good understanding of the SED, while also giving us enough time to make any discussions useful for our preparation of our comments to the SWRCB. I suggested that he include in his invitee list:
CDFW -- Scott Cantrell, Carl Wilcox, Chad Dibble, Annie Manji, Glenda Marsh, Linda Barrera, Wendy Bogdon; Dean Marston,

USFWS -- Roger Guinee; Ramon Martin; Julie Zimmerman; Craig Anderson, JD Wilkert, Kim Webb

NOAA -- Rhonda Reed, Ryan Wulff, Steve Edmondson, Monica Gutierrez, Erin Strange

USEPA -- Bruce Herbold (until Jan 31st), Erin Foresman, Valentina Cabrera-Stagno

Can you check the list for your agency and let me know if this is correct? Of course, I doubt that we'll be able to get a date that works for everyone, so you may also want to send me a "really should be there" note.

Thanks,

John M. Shelton

Everyone has something to teach us, but only if we are wise enough to learn from them.
